

III ANANTAPUR ULTRAMARATHON

23-24TH JANUARY, 2018

ACHIEVEMENTS:

138 children's education and healthcare was fully supported up to 18 years under RDT's programmes.

Safe and secure housing for 36 families as well the reconstruction of their village, Yerragunta

SYNOPSIS

Given the growing interest of runners from Spain and India, it was decided to upscale the initiative. The third edition saw the participation of female runners from India as well as people with disabilities for the first time.

76 runners from India, Spain and USA took part in the race and together they fundraised for a bigger cause.
