

RURAL DEVELOPMENT TRUST
Anantapur, Andhra Pradesh, India
Job Description: Electrical Engineer

Position Details

Job Title: Electrical Engineer

Location: RDT Hospital, Bathalapalli, Anantapur

Organisation: Rural Development Trust (RDT)

Last Date to Apply: 25th July, 2026

Job Purpose

Rural Development Trust (RDT) is inviting applications from qualified and experienced professionals with a minimum of 5 years of experience for the position of Electrical Engineer to join the Maintenance Team at RDT Hospital, Bathalapalli.

The Electrical Engineer will be responsible for ensuring the safe, reliable and efficient operation of the hospital's electrical systems and infrastructure. The role involves preventive and corrective maintenance, troubleshooting electrical issues, coordinating maintenance activities and supporting the uninterrupted functioning of essential hospital services.

Requirements & Qualification

- Bachelor's Degree in Electrical Engineering from a recognised university or institution.
- Minimum **5 years of relevant professional experience** in electrical maintenance, facility management, industrial electrical systems or related areas.
- Experience working with large facilities, hospitals, healthcare institutions or similar infrastructure will be an advantage.

Application Process

Interested candidates who meet the above requirements are invited to submit their application along with an **updated CV** to careers_rm@rdt.co.in with the **subject line: Application for Electrical Engineer - (Your Name)** on or before **25.07.2026**

Only shortlisted candidates will be contacted for the further selection process.
